7 PROGRAM REQUIREMENTS

7.1 Program Description

The Graduate Diploma of Mental Health Nursing and Allied Health offers the mental health practitioner a logical progression from the existing Graduate Certificate along a pathway to a higher qualification. Multidisciplinary students are expected to improve practice within their sphere of work, become highly skilled advanced practitioners within their discipline areas and have greater leadership abilities within their field. The blended learning activities will provide a number of different contemporary strategies to provide support to patients in their recovery and the promotion of prevention strategies and responds to wider concepts of health service leadership and management.

7.2 Program Learning Outcomes

Upon successful completion of the Graduate Diploma of Mental Health Nursing and Allied Health graduates will be able to:

1. Consolidate and synthesise advanced practice knowledge, skills and competencies that enhance capacity to provide holistic nursing care for the client with acute mental illness.
2. Critique national and international models of care for acute mentally ill clients, including support and aftercare in the community, to the current healthcare context.
3. Employ clinical reasoning and decision making strategies that enhance organisational capability and responsiveness in the acute mental health environment.
4. Communicate with influence and negotiate effectively with acute mentally ill people and their families from culturally and linguistically diverse backgrounds.
5. Model professional behaviours to colleagues and students that provide clients with culturally appropriate and socially just care within a medico-legal framework.
6. Establish a mechanism for lifelong learning by reflecting on practice to apply and build professional expertise.
7. Steer and implement change by conducting national and international research retrieval and enquiry that incorporates philosophical, technical and social justice perspectives on healthcare.

7.3 Required Courses

To be eligible for the award of Graduate Diploma of Mental Health Nursing and Allied Health students must complete a minimum of 200 Units of Credit chosen from the courses listed in Appendix A comprising:

25 Units of Credit from one (1) Core Curriculum Course

125 Units of Credit from five (5) compulsory Courses

7.4 Elective Courses

Students enrolled in the Graduate Diploma of Mental Health Nursing and Allied Health are required to complete 2 elective courses. Elective courses can be selected from the approved list of course offerings listed in Appendix B.
